

Vintners is proud to be the first New Zealand owned wine distributor to gain Toitū Enviromark[®] Gold Certification.

Moved to a fully sustainably sourced energy supplier.

Sourced a local, neighbourhood, organic coffee supplier.

Shifted to a Toitū Certified Waste Management Company.

Diverted two tonnes of cardboard and soft plastics from landfill.

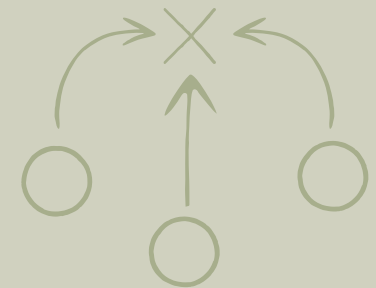

An in-house industrial coffee machine producing some 3000 cups of coffee per annum, that's a lot of cups saved from landfill.

Installed solar panels, reducing energy consumption by 50.5% pa and carbon emissions from electricity by 50%.

New catalogue, 100% certified recyclable and 50% reduction in paper.

Established a Vintners Green Team with representatives from each division to action change.
